DREAMFIRE®

KAMADO SMOKEY II

Short description:

Dreamfire® Kamado Smokey II is the upgraded version of the popular original Smokey model – a true game changer in the kamado world. **Dreamfire® Kamado Smokey II** is designed for the serious grill enthusiast who appreciates every small detail and wants the best materials and top of the line functionality from their kamado. **Dreamfire® Kamado Smokey II** was created by barbecue fans for other barbecue fans. **Dreamfire® Kamado Smokey II** is also a winner of a Grillfest BBQ contest 2021.

Long description:

Dreamfire® Kamado Smokey II's extra-thick ceramic body retains the moisture and smoke from the charcoal, leaving the food particularly soft and delicious. Thanks to the thick ceramics, the **Dreamfire® Kamado Smokey II** is suitable for use even in the heart of winter. **Dreamfire® Kamado Smokey II** maintains a constant temperature for hours without having to adjust the vents – smoke ham or cook pulled pork for up to 20 hours without worries. The oval shape of the grill makes airflows inside the kamado perfect for cooking.

Easy to assemble – Dreamfire® Kamado Smokey II comes mostly pre-assembled in the package – all you have to do is assemble the legs and bolt the handle and side shelves to the grill. Everything else is already assembled. It does not take more than 30 minutes to assemble.

Specifications:

- Color: Night Sky
- The outer diameter of the grill is 56.5 cm
- Inner diameter of the grill is 50 cm
- Diameter of the grill grate is 47 cm
- Total grilling area at one level 1735 cm² ; with three levels of the LUX PRO system 5205 cm²
- Exclusive design

Dreamfire® Kamado Smokey II is a unique top range kamado with the following features:

Three-tiered improved Cooking System LUX PRO – Three cooking levels plus a special bottom level for the perfect sear, 6 heavy-duty half-moon stainless steel grates, 2 ceramic half-moon heat deflectors and comfortable handles to lift the system.

Innovative stainless steel top vent – It is designed to prevent any rain from getting in while also offering superior control to all the competition. The vent comes with a heatproof handle for worry-free heat control.

Smoking chip feeder – Now you can add chips through the opening in the Dreamfire Kamado Smokey II's ceramic body. As a result, moisture, smoke and obviously heat in the kamado do not escape into air.

Ash basket – With an ash basket, there is never a problem that the cast iron plate on the bottom of your kamado is covered with an ash layer, which prevents the charcoal from burning efficiently.

Dreamfire Meatspotter 100 Bluetooth thermometer – Our Bluetooth thermometer Meatspotter 100 gives you the peace of mind to take care of your own things until the Smokey II cooks food for you.

Multi-piece ceramic firebox – Dreamfire® Kamado Smokey II comes with a unique multi-piece firebox that is already assembled at the factory and is conveniently located in a metal frame. The multi-part firebox withstands large temperature changes, and you never have to worry again about your firebox accidentally cracking.

Extra thick stainless-steel grates – Dreamfire® Kamado Smokey II comes with unprecedentedly thick stainless steel grill grates that act almost like cast iron in retaining heat.

Stainless steel details – Dreamfire® Kamado Smokey II comes with high-quality stainless steel (304) details such as vents, cart, handle and metal belts.

Stainless steel cart with extra durable wheels – Dreamfire® Kamado Smokey II comes with a stainless-steel cart equipped with high-quality wheels, so that your kamado has a stylish home and you can move it comfortably.

Extra thick and dense ceramics – Dreamfire® Kamado Smokey II ceramic body is made of extra thick and extra dense ceramics, which makes the Dreamfire® Kamado Smokey II particularly durable and retains heat better than other kamado type grills.

Wooden sideboards with hooks – Removable wooden sideboards give you a work surface where you can conveniently place your accessories. The hooks make it easy to hang your grill tongs, ash tools, chip tube and more.

Rain cover – With Dreamfire® Kamado Smokey II, you get a high-quality rain cover that keeps your kamado clean and protects it from UV radiation, rain and pollen.

Wood chip tube and ash tool – The set includes a chip tube and ash tool.
